

Bizz2Pay Privacy policy

Collection of Information

The demographic and personal data collected by Bizz2Pay is used to perform statistical, demographic and marketing analysis of users and service subscribers, and their subscribing and purchasing patterns, for product development purposes, for anonymous reporting for internal and external clients and to further develop the usability of our web site.

Use of Personal Information

We use your personal information to provide our services. We share certain information with our clients as part of our normal business operations. By using our services you expressly agree to the sharing of your personal data for these purposes. Your personal data may be shared if necessary with entities outside the European Economic Area ("EEA") in order to provide you and our clients with your requested services. You expressly consent to the sharing of your data in this way.

Security of Information

Your personal details will remain private and confidential. We will never sell, rent, barter or share your personal details in any way with any other company. All data collected is for our internal use only. From time to time, we may send you pertinent information on special offers, news or educational articles. If you prefer not to receive these, we will include unsubscribe details with every email that we send out. Some of our web pages utilize cookies and other tracking technologies. However, we do not keep any of your personal details on cookies or with any of our tracking mechanisms. Additionally, Bizz2Pay may post surveys and questionnaires to measure your response to certain new additions to the web site, whereby participation is voluntary. Only aggregate information from these surveys or questionnaires may be shared with partners unless we notify you otherwise. We will also include an option where you can complete the survey but choose to remain anonymous. To ensure the confidentiality and security of the information you have shared with us through our inquiry form we have physical, electronic and procedural safeguards in place that comply with government regulations to protect your personal information.

Use of your personal information submitted to other websites

We are not responsible for the privacy policies and practices of other web sites, even if you accessed the third party web site using links from our web site. We recommend that you check the policy of each web site you visit and contact the owner or operator of such web site if you have concerns or questions.

Your consent

By submitting any personal information to us you consent to the use of information as set out in this policy. We reserve the right to amend or modify this privacy policy, whereby we post the changes on this page. It is your responsibility to check the privacy policy every time you submit information to us or place an order. Use will signify that you agree to any such changes.
